

**CERTIFICATE OF
CONFORMITY**

No. 1683 - CPD - 0012

(English translation, the original version is in French)

ELASTOMERIC STRUCTURAL BEARINGS

Certificate of conformity issued by the Notified Body : ASQPE

Identification number : 1683

Address : ASQPE 58 boulevard Lefebvre 75732 Paris Cedex 15

Manufacturer : CACESA

Address : Carretera de Humanes, km 0,800
E-28944 Fuenlabrada - Madrid (Spain)

Factory : CACESA

Address : Polígono industrial San Sebastián C/Lomo, 2
E-28950 Moraleja de Enmedio - Madrid (Spain)

Certified Products : Elastomeric Structural Bearings

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988, on the approximation of laws, regulations and administrative provisions of Members States relating to the construction products (Construction Product Directive – CPD), amended by the Directive 93/68/EEC of Council of European Communities of 22 July 1993, it has been stated that :

the elastomeric laminated structural bearings "type A" and "type B", composed either of natural rubber with G modulus equal to 0,9 Mpa or of natural rubber with G modulus equal to 0,9 Mpa with a polychloroprene cover, with steel reinforcing plates qualified S235JRG2 (EN 10025), for a minimal operating temperature of -25° C and with a static rotation capacity on the base of the eccentric loading test, produced by :

the Company « Caucho Celular del Centro, S.A. » (CACESA)

has been submitted to the initial type-testing and that the manufacturer performs the continuous surveillance of the factory production in accordance with the requirements of Annex ZA of the standard EN 1337-3 concerning structural bearings according to system 1 « critical use ».

The Notified Body ASQPE has realized the initial inspection of the factory and has controled the factory production continuous survey. This certificate attests that the initial type-tests realized on the structural bearings coming from the "Moraleja de Enmedio" factory production has satisfied the conditions laid down in the harmonised technical specifications of the standards EN 1337-3.

This certificate was first issued on 20 August 2010 and, except withdrawal or suspension, remains valid as long as the conditions laid down in the reference technical specifications or the manufacturing conditions of the factory or the FPC itself are not modified significantly.

Issued in Paris, on 20/08/2010

the ASQPE President

Jacky SEANTIER
